

HP 937 CMYK Original Ink Cartridge

Count on professional-quality documents. Original HP Ink Cartridges provide impressive reliability for dependable performance and durable results.[1] Print with inks that produce business documents with vibrant colors and sharp black text.[2]

Overview

Set your business apart with Original HP Ink Cartridges that deliver standout results you can rely on. Specifically designed to work with your HP printer, they deliver consistent professional-quality results.

Represent your business with proprietary Original HP Inks designed for consistent, professional results. Consistently produce professional-quality black text, using inks designed for the office. Print professional-quality business documents with vibrant color, using inks designed for the office.

Original HP Cartridges returned through HP Planet Partners are not sent to a landfill. You can recycle them for free in more than 60 countries and territories to become part of the circular economy.[3]

To date, customers have recycled a staggering 962 million ink cartridges through HP Planet Partners.[4] Designed for default double-sided printing to minimize paper waste and save up to 50% of paper costs.[5,6] UL ECOLOGO® certified for reduced environmental impact, based on stringent health and environment criteria.[7]

Designed with security in mind. An upgraded chip[8] adds enhanced security to Original HP Ink Cartridges to help protect your data. So you can print more and worry less.[9]

ISO/IEC 20243 OTTP-S certified for supply chain security for trust and tamper resistance.[10]

HP cares about your printing needs. We have a simplified product portfolio with cartridge yields based on how and what you print.[11]
